MEDICAL SOCIAL WORKERS

Our Masters level social workers have access to a large network of resources to assist in maintaining the comfort, wellbeing and safety of our patients.

The social worker's role also includes:

- Liaison with other members of the health care team
- Advocacy with community agencies
- Information and referral to programs such as Meals on Wheel and many other associations
- Counseling and crisis interventions
- Application for financial assistance
- Assistance with long-term care planning
- Placement counseling if needed

HOME HEALTH AIDES

When a patients' care requires more than skilled care, our aides provide continuous quality care including:

- Tub bath, shower, partial bath, complete bed bath
- Incontinent/catheter care
- Personal grooming-oral hygiene, shampoo, shave, nail/foot and peri-care
- Assist with ambulation, transfers, and positioning
- Skin care, general patient monitoring and feedback to nursing staff
- Vital sign checks
